

## It's a Girl! And Another Girl!

Twin girls Harper and Laney were born to our ICARE Director Mindy Grimm and her husband Joe on July 3, 2023. They are beautiful and healthy and a precious answer to many prayers! Our community is smitten already.

## Programming Starts Up Soon

Program Coordinator Kristi McCaleb is preparing to start "Health Rocks" curriculum with the county's fifth graders again soon. ICARE staff and coalition members visited with two fifth grade classes at Paulette Elementary School at the end of the school year, and students brilliantly shared all that they learned. They presented to their classmates and guests on topics such as "Opiate Use Disorder and Depression" as well as "How and Why to Avoid Substance Use Disorder."

## Dates to Remember

ICARE Coalition Meetings are the last Thursday of every month via Zoom. Watch your email for upcoming links.

Drug Awareness Days at Okies Pharmacy are the Second Monday of every month from 3-6 pm - Features Prevention Education from ICARE, as well as Naloxone training and Harm Reduction Services from other area resources

International Overdose Awareness Day Memorial Candlelight Service - Thursday, August 31, 2023 from 7:30-8:30 p.m. at Miller's Chapel United Methodist Church. Join us to remember those loved and lost to substance use disorder. If you would like to include a loved one's name and/or picture on our memorial board, send it to [carrie.unioncountycare@gmail.com](mailto:carrie.unioncountycare@gmail.com).

Drug Take Back Day - October 28, 2023  
10 am - 2 pm at the Sheriff's Office
